

Driving Instructions:

Take the Marina Bay Parkway Exit from 580 West.
 Make a left at the light proceed South on Marina Bay
 Go through the light at Meeker, cross the railroad tracks
 and make a soft right onto Regatta Blvd.
 Proceed all the way to the end of Regatta.

Now you can choose to:

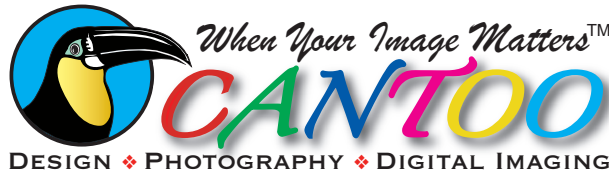

1) Make a U-Turn back onto Regatta and make a right
 into the drive way, go all the way back through the
 business park and make a left. You are now directly in
 front of Cantoo.

2) Go left onto Marina Blvd and then make another left
 into the first driveway. Go past the first set of buildings and
 across the perpendicular driveway coming from your left.
 Cantoo is now on your left.

About Cantoo

Cantoo was founded in 1981 by Judith Jang and Robyn Rickansrud as a one stop shop for communications design and production. With Judith's passing from leukemia in 1989 Robyn transitioned the company into a full service commercial photographic lab. Today Cantoo has evolved again to offer a complete design and production service solution for all your visual communications projects.

Cantoo's special expertise is in meeting the most demanding deadlines while providing our clients a trouble free, no worries experience. You can trust us completely with your largest and most prestigious projects knowing that it will be done right and on time, that it will be delivered to its final destination and will meet or exceed your expectations. We promise!

Our team is comprised of extremely competent, talented, detail oriented, energetic people who bring more than 150 years of cumulative experience to all your projects. We are solution oriented and strive to provide the best possible experience for you. Please give us a try for your next project.

Programs & Services

Auction It Off™ Service

When you need to clear out your garage, attic, storage facility, or closet, we can help. Our Auction It Off™ service may be just the answer you are looking for. For a small fee and a percentage of the sale we will place your items on an auction site of your choice. We handle all the financial transactions, and can issue you a check or deposit monies directly to your bank account. We will package and ship for you at no additional cost. You can bring your merchandise to us or we will be happy to come to your location (a location fee may apply).

\$5.00 per item and	25% of the sale price between \$0-\$499.99.
	20% if the sale price is between \$500.00 and 999.99
	15% if the sale price is over \$1000.00

Present It™

Our team of creative consultants will help you design and produce a presentation for any purpose and audience. We will create a visually inspiring vehicle for your message using the most appropriate hardware and software. We will stage the production for you or train you to show it yourself. We will then coach you in the fine art of presentations so that you are a confident, winning presenter.

Fees vary by type of assignment and can only be determined after an initial consultation with you. Please call to schedule and appointment. You will be very glad you did.

General Information:

Business Hours:

Cantoo is open Monday through Friday, 9:00 AM to 6:00 PM Other times are available by special request. Additional charges will apply.

Film Processing Schedule:

Last run for same day film processing is 3:00 PM. That time may be extended by 1 hour for those using Rush service.

Rush Service:

Faster Service than that published can often be arranged. Additional charges will most times apply and will be in the range of 50% to 300% of current prices for the service requested.

Terms:

Cantoo terms are pre-pay with order unless prior arrangements have been made. (Cash, Check, Debit Card, Visa, Mastercard, and Discover.

Credit Accounts:

Open accounts are available to qualified companies and individuals whose anticipated monthly charges exceed \$250.00. Terms for open accounts are Net 30 from receipt of the invoice. 11/2% per month is charged on all invoices past 30 days.

Pickup and Delivery:

Cantoo provides a pickup and delivery service that is available Monday-Friday from 9 AM to 1 PM. Charges may apply. Call customer service for details.

Shipping:

We are happy to ship your orders wherever and by whatever carrier you may require. Charges may apply. Call customer service for further information.

Phone Quotes:

We are happy to provide telephone quotations. However final determinations of price can only be made when your order is actually placed and accepted at our facility.

Quality Levels:

We offer different levels of quality for many of our services. Please order the appropriate grade for the quality of work you require. We do not apply the same standards to lower priced work as we do to "custom" or "reproduction" grades.

Please do not expect us to do any exact matching on machine prints without paying custom print prices.

Reprints:

Your complete satisfaction is our goal. We do our very best to follow the instructions given us at the time the order is placed. Please be as exact as possible in your specifications to our customer service personnel. Include samples that show color, exposure and cropping when possible. If we fail to follow your instructions or meet the quality of the grade of service you have requested we will remake your order. Remakes must be ordered within 20 business days of receipt of the work. Remake orders must include the original items submitted, the prints or other work to be remade and clear instructions as to what is to be done. No remakes will be accepted from work left over 15 days past its promised delivery

Copyright:

Cantoo, Inc. will not violate federal copyright law. By submitting work to us, you agree to release us and hold us harmless from any claims, actions, or liability resulting from our reproduction of any originals you supply to us for any purpose.

Liability:

Cantoo, Inc. will use the upmost care in handling all film and originals and will use our best efforts to produce extremely high quality work. Submitting any unprocessed film, processed film, original art or any other material constitutes an agreement by you that any damage or loss by Cantoo, Inc. or its' agents due to any reason or cause will only entitle you to a replacement amount of unexposed film plus processing. Except for such replacement, the acceptance by Cantoo, Inc. or its' agents of original materials is without other warranty or liability, and recovery for any incidental or consequential damages is excluded.

Pricing is subject to change without notice.

Large Format InkJet Printing

Water Based Pigmented Ink

These prints are long lasting (up to 120 years) and highly resistant to fading. They have bright, vivid colors and unmatched sharpness. These prints can be used in both indoor and outdoor applications. Our 12 color printer provides the widest possible range of colors (gamut) allowing us to reproduce any image, including those with spot and PMS colors, with incredible accuracy. This printer also produces fantastic Black & White images. Prints are available in widths up to 60" and lengths to 100'.

Flat Bed Eco-Solvent Based UV Curable Ink

We can now print onto virtually any hard surface up to 1.75" thick. The selection includes Glass, aluminium, MDF, and any other material you can get. Cantoo now offers outstanding outdoor graphics printed on both flexible and ridged media. We use environmentally friendly inks printed with variable sized droplets to produce images with smoother transitions and denser more uniform solid areas. The image quality rivals resolutions of 1,200 dpi or higher with crisp, super legible type even at 6 point. We are able to print directly onto Glass, Aluminium, Dibond, MDF, Foam, Pre stretched Canvas and any other media up to 48"x96". Custom cut shapes are possible. We can handle any project. Please call for a consultation.

Fine Art Reproduction/Giclée Printing

(24-72 Hours depending on volume)

Up to 60" Wide by almost any length. These prints are the finest that technology currently offers. They are available on a selection of the very best fine art papers and canvas. There are many so many options available that we have prepared a separate brochure just for our fine art reproduction services. Some sample pricing is offered below.

Studio/Location Photography

Studio Photography *By Appointment- and while-you-wait services available now.*

We have a complete studio solution for all your photographic projects. We specialize in product photography using special effects lighting for dramatic, one-of-a-kind images that work to increase interest and retention in your audience. Our full kitchen makes it easy to prepare food shoots and our changing rooms with make up tables make portrait, executive portraits and fashion photography a breeze. We have a specialized studio for shooting small items such as jewelry, gems, watches, beads, glassware, ceramics, vases, models, miniatures, dolls, sunglasses, bottles and product samples. We are the perfect choice for catalogue work. Our expert photographers are extremely fast and can give you finished product on digital media, e-mailed to you or a recipient of your choice or printed out as photographic or giclée prints within a few minutes of shooting your job. Our prices are competitive and our quality is second to none. Try us. You will be very pleased you did. Call now for a quote on your project.

Location Photography *By Appointment- and same day services available now.*

Cantoo's staff of talented photographers is available to shoot your next location project. We have all the equipment and years of expertise necessary to insure the job is done right, on time, the first time. Corporate and Annual Report, Industrial, Architecture, Executive Portraits, Corporate Interiors, Publicity Shots, are some examples of the assignments we can undertake. Whatever your needs we can handle it, fast, efficiently and with absolutely no worries for you. We are available when and where you need us with little or no lead time necessary. One of our photographers can be to you within a very short time after your call.

We strive to capture the look and feel in each photograph that will send your audience exactly the right message and that get the results you want.

We also offer a complete design service. Please give us a try. You will love working with us.
